PABLO NUDEL

FRONT-END DEVELOPER

I have extensive experience in various creative disciplines, including Art Direction, Illustration, Motion Graphics, 2D Animation, Graphic Design, and Web Design, as well as in client management and overall project direction. Currently, I have focused on front-end development while continuing to expand my knowledge in this field.

EXPERIENCE

03/2022 - 06/2023 **Web Builder & Design Project Associate**
@ Luxury Presence
As a web builder, I created websites for luxury real estate agents and brokerages. This included implementing, configuring, and optimizing custom assets and components.
As a Design Project Associate, I performed QA, CSS improvements, tracking, feedback, and approvals in the stages leading up to site launch.

2007 - 03/2022 **Freelance Art Direction, Illustration, Motion Graphics & Graphic Design**
Over several years, I managed and developed comprehensive projects for personal clients to which I've contributed my expertise in various design and visual arts domains. Additionally, I've integrated as a consultant to diverse teams within numerous audiovisual production studios, including: Turner International Argentina, Gazz, StoryStudio, Mandinga, Candela Creative Group and Gato.
Clients: MTV, Coca-Cola, TCM Channel, Citi Bank, Personal.

09/2004 - 04/2007 **Project Manager of Multimedia Department**
@ IMC Comunicación
I carried out various multimedia projects, landing pages, microsites and product presentations. I collaborated in project management and team coordination.
Clients: Microsoft, Nokia, Pirelli, PwC.

06/2002 - 03/2004 **Graphic Design**
@ GR Group
Branding, Corporate identity, Editorial Design, Multimedia Design.

ACADEMIC EDUCATION

2001 - 2007 **Graphic Design**
@ Universidad de Buenos Aires
Not finished (90% complete)
